

Martin Jacko

Attorney and Managing Partner at LGP Bratislava and LGP Prague

Mission Statement:

My vision for the Construction Committee is to help build a regulatory environment where expert knowledge, legislative processes, and the real needs of the construction and business sectors effectively converge. As Vice Chair, I aim to contribute balanced, practical, and professionally grounded input into legislative initiatives, promoting a modern and predictable framework for the industry. I am committed to fostering a platform that connects companies, experts, and public institutions, encouraging regular dialogue, transparent cooperation, and partnerships that strengthen the overall quality, integrity, and competitiveness of the construction sector in Slovakia.
