

Mgr. Bibiana Vallová, MBA

Market Access Lead Slovakia, Takeda Pharmaceutical Slovakia s.r.o. Pharma

Mission Statement:

I consider myself a creative, action-oriented professional specializing in market access and governmental affairs, with extensive experience in the pharmaceutical and biotechnology industries. My background includes proven expertise in marketing, business development, and market access, supported by strong analytical capabilities, strategic thinking, and advanced negotiation skills.

I am an effective communicator and a collaborative team player. Within the healthcare committee, I can contribute my long-standing experience in managing strategic projects and developing long-term healthcare strategies. Additionally, I bring significant expertise in communication and negotiation with key stakeholders and authorities in the Slovak Republic, enabling successful outcomes in the complex Slovak regulatory and market environment.

I am confident that I could bring significant value in various aspects of strategic planning for long-term healthcare projects and in negotiations with authorities in Slovakia.
