Government Affairs Manager AbbVie Slovakia

**Mission Statement:**

1. Build regular and open dialogue with committee members to understand their priorities, legislative intentions, and current challenges in the healthcare sector.
2. Proactively provide analytical materials, market insights, and recommendations that support informed decision-making within the committee.
3. Create opportunities for joint discussions and roundtables where business representatives, healthcare institutions, and policymakers can meet.
4. Strengthen cooperation through consistent participation in meetings and active engagement in the committee's working groups or initiatives.
5. Identify shared goals between the organization and the committee and develop joint projects or position statements that support improvements in the healthcare system and the business environment.
