Viliam Myšička is a Partner based in Bratislava with broad experience in corporate, M&A and real estate transactions.

He Has worked on the entire spectrum of private and public M&As: namely, cross-border and domestic share deals and asset deals, both on the sale and purchase side, on private equity transactions, mergers/demergers, cross-border mergers, restructurings, and joint ventures.

Viliam's focus extends to **restructuring and insolvency, serving as the firm-wide Head** of this service line. He is recognised for his prowess in handling asset liquidations, distressed M&A transactions and pre-insolvency restructurings, and he acts for a range of clients across sectors including automotive, energy and banking.

Viliam passed the English Solicitor's exams (QLTT) in 2011. He is the **founder and chairman of Slovak branch of TMA** (Turnaround Management Association) and a **member of Association of Bankruptcy Trustees of the Slovak Republic**.

"We really appreciate Viliam Myšička's leadership and communication skills."

"I have only had positive experiences with Viliam Myšička."
