

**JUDr. Martin Jacko**

Attorney and Managing Partner at LGP Bratislava and LGP Prague

**Mission Statement:**

“For the past two years, I have been serving as Vice-Chair of the Restructuring and Insolvency Task Force, and I would like to continue my work by actively contributing to the drafting and review of legislation that supports an efficient, transparent, and predictable insolvency framework in Slovakia. My ambition is to bring insights from practice and strengthen the connection between the business sector and the expert community. At the same time, I aim to further promote professional dialogue, knowledge sharing, and open cooperation, all of which are essential for improving the quality and effectiveness of insolvency proceedings.”
