# HOW REAL ESTATE VISION & TRENDS WORKS

## EXPERT PROGRAM

An official program of approximately three hours, made up of moderated blocks of panel discussions and expert presentations focused on trends and investment opportunities in the real estate market, new sources of capital for development, and current projects and real estate topics in Slovakia and abroad.

## INDIVIDUAL CONSULTATIONS

As a partner, you can offer guests individual consultations on the topic you work in professionally. Guests reserve a 20-minute slot with you in advance.

## EVENING NETWORKING

Take advantage of a unique opportunity to network among high-profile guests and make personal contact with new potential business partners from among the owners and top management of leading companies, financial institutions, advisory firms and public administration.
