

# CELEBRATE WITH US (AGAIN)!

June 13 | 2024

Although the rainy weather has forced us to alter our plans, AmCham's traditional celebration of the approaching summer in Košice turned out amazing. We successfully "transplanted" the positive vibes and unique energy of Košice's Botanical Garden and brought it to the beautiful premises of Východoslovenská galéria. This cocktail, organized in partnership with the U.S. Embassy in Slovakia, was a celebration of AmCham Slovakia's 30th anniversary as well as the U.S. Independence Day. AmCham Slovakia's community in the east was energized by the launch of our "Mapping the

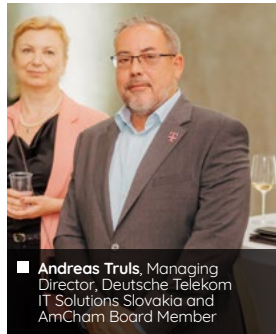

of our main partners within this project as well as the key stakeholders from the public sector and academia present at our cocktail and in constructive discussions. Enabling an open and constructive dialogue among the main stakeholders and strengthening the ties between business, academia and the public offices is among our main goals. Our summer celebration enabled all of these discussions in an inspiring and friendly atmosphere and we can't wait to transform this energy into our ongoing efforts to transform the East in the months to come.

Potential of Eastern Slovakia" project in 2023. We were glad to see many
