AmCham Slovakia is preparing its

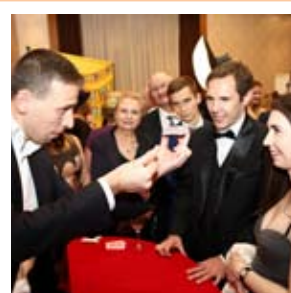

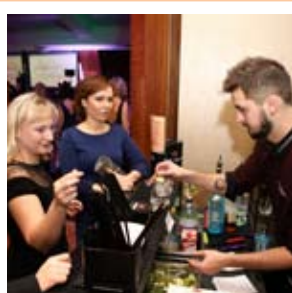

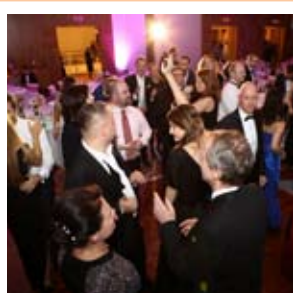

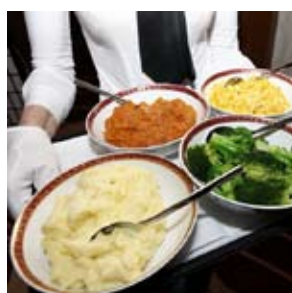

ANNUAL Thanksgiving GALA CHARITY DINNER.

This eagerly anticipated event has become a real tradition in the international community here in Bratislava. We expect over 300 guests to take part in this charity event.

The program of the evening features the American history spirit, some fabulous live music, amazing dance performances, laser show, tombola as well as exciting activities for you to try, such as whisky & cigar tasting, great coffee, magician, caricaturist and many more! Of course, the traditional Thanksgiving feast and supporting a chosen charity project are an integral part of the evening.
