21,90€

Only for AmCham members

Discount pricing for 100+ tests

**Test your organization for Covid-19
at once, without waiting,
comfortably at your site**

- Safe return to work after the holidays
- Working capacities planning during the 2021
- Possible benefit for employees through an offer for whole family participation
- Tax deductible costs

Why Join The Safety Program ?

We are already open

- Reduction of virus transmission
- Avoiding organizational quarantine after a positive test
- Costs of prevention testing lower than those related with quarantine and business continuity

We are closed / In home office

- A possibility of a return to work
- Productivity and mood boost
- An improvement of your employees' mental state, in particular when also family is tested

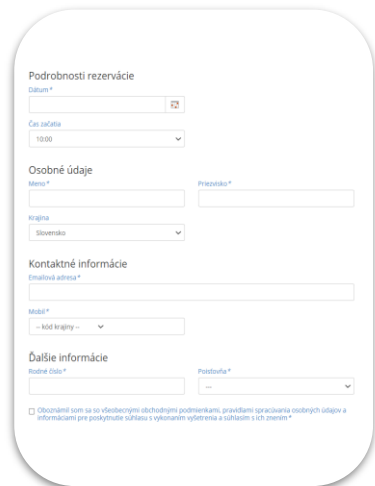

„Since the Safety Program has launched in our organization, we observe a clear improvement in job satisfaction and productivity. Our colleagues are also happy that they can visit their parents with a clear conscience of not infecting them.” **Erika Gočálová**, Head of HR, Vacuumlabs

A Successful Case Study: Vacuumlabs

Covid-19 testing runs in **Vacuumlabs** since June once a week:

- **60 to 70 people can safely visit the office building.**
- From the beginning of Covid-19 testing we **prevented virus transmission 4 times**, as the colleagues with positive result were sent home to self-isolate.
