& SPONSORSHIP OPPORTUNITIES

2025

OUR SERVICES

We strive to keep you connected, informed and represented. This translates into three main benefits of AmCham membership.

NETWORKING

AmCham's wide portfolio of events serves as the ideal opportunity to meet interesting people from the business or public sphere, build new contacts, share best practices, spread the word about your business and find new business partners.

INFORMATION

We will keep you updated on the latest developments, trends or policy changes which may impact your business through our various publications, as well as conferences, business breakfasts or workshops with expert speakers.

ADVOCACY

More than 300 companies of all sizes and sectors united in AmCham Slovakia represent a powerful and respected voice of the business community. Through our committees, Task Forces and other advocacy efforts, you have the opportunity to influence the policies which impact your business.

AMCHAM SLOVAKIA FOCUS ITS ADVOCACY EFFORTS ON **FOUR PILLARS**:
